

Specialist Trading Standards Officer

Grade/Salary GO 7 SCP 32 to £40,221 - £43,421

Working from Ty Dewi Sant Offices, Ewloe/Hybrid Working

Full Time

2024/5 Pay Award Pending

An exciting opportunity has arisen for an experienced and enthusiastic professional to join our service.

As the post holder you will assume a specialist role within the Trading Standards Team. The work of the team encompasses legal metrology, animal health, product safety, and animal feed. As part of the role you will also be providing technical advice and supervising colleagues.

You will contribute to service delivery, enforcing and providing business advice on a wide range of trading standards legislation.

You will hold a Diploma in Trading Standards (DTS), or DCATS (including Legal Metrology, and the Feed Module), or equivalents.

Previous experience of working in a trading standards role inspecting premises and conducting investigations is required, as are excellent communication and IT skills.

You will be working in a friendly and supportive environment, based within the wider Community and Business Protection Service. If you have the right experience for this role and feel your skills and experience match the requirements, we would be eager to hear from you.

Welsh speaking and writing skills are desirable.

As one of the largest employers in Flintshire, we offer an excellent package, including:

- Access to the Local Government Pension Scheme
- Generous family friendly and work-life balance schemes
- Hybrid working (role specific)
- Access to a range of development opportunities
- Free employee assistance programme (EAP)
- Cycle to Work Scheme
- Discounts across UK retailers.

In this role you can benefit from our flexible working hours policy.
