## Use of attachments

Please attach any documents that are relevant to the work that you undertook and that you are reflecting upon in this Report. These will not be included in the word count of your Report and the supporting document will not be recognised within the marking system.

## GDPR and compliance process

You may provide supporting documents with your submission, where appropriate. For example, a prosecution report.

Submissions with supporting documentation will only be accepted where any information that falls within GDPR is:

- anonymised; or
- if necessary, replaced with Person A / Company A etc.

For any submission that includes information that falls within GDPR regulations, the above process must be followed. Where an individual can be identified either directly or indirectly from that data held this data must be anonymised. Where a submission contains information that falls within GDPR, it will be rejected and you may be withdrawn from the examinations.

If the information is within the public domain, this is unnecessary.

Please ensure that you do not identify, by name, businesses or individuals involved, in line with your responsibilities under data protection and trading standards legislation.

## Coursework submission

Coursework submission guidance can be found on the CTSI website under the ['Coursework – SharePoint Guide'](#). This outlines the process of submission of coursework for all of Stage 1.
